MAM-A Medical Grade Discs
CD-R, DVD, Recordable Blu-ray

Other consumer grade discs use materials to achieve the lowest possible unit cost rather than the highest possible performance required for vital medical applications. MAM-A Medical Grade Archival CD-R, DVD-R, and BD-R discs provide demonstrably superior resistance to environmental degradation compared to other recordable discs. Superior printable surfaces for all thermal and inkjet printers, and Private Hospital Logo silkscreening is also available by request. DICOM compliant, PACS compatible, FDA certified.
