

The Magazine of Distinction in Radiology

A trusted resource for industry professionals for two decades, **Radiology Today** reports the latest news and information that matters to radiologists, radiology administrators, and technologists. Our coverage focuses on the concerns, challenges, and common interests that engage and excite industry professionals.

For advertisers and recruiters who seek to reach influencers and decision-makers, our wide-ranging media network offers effective channels for delivering key messages, information, and career opportunities to the nation's community of radiology professionals.

The **Radiology Today** media network can showcase your product, program, service, or professional opportunity in the way that best meets your needs. Anchored by our monthly print publication, our network extends to our mobile-ready digital edition, our highly targeted website—www.RadiologyToday.net—our monthly e-Newsletter, and our flourishing social media platform.

Radiology Today's monthly e-Newsletter delivers timely news, research, and information, as well as banner ads and e-Blasts, directly to subscribers' inboxes. The content we share with our active and engaged Facebook and Twitter audiences drives traffic directly to our website and our digital edition.

Our partnerships also help hundreds of facilities and recruiters find the best professional talent across the country, through print display ads and online job postings on our busy and highly regarded job boards, the Physician Recruitment Center and AlliedHealthCareers.com.

Radiology Today's audience comprises:

- Diagnostic and interventional radiologists
- Radiology directors, managers, and administrators
- PACS/RIS administrators
- Chief technologists/technologists
- Nuclear medicine physicians
- Radiation oncologists
- Cardiologists
- Medical dosimetrists
- Physicists
- Radiology educators
