

RadiologyToday

 @RadiologyToday  /RadiologyToday

A trusted resource for industry professionals for two decades, **Radiology Today** reports the latest news and information that matters to radiologists, radiology administrators, and technologists.

For advertisers and recruiters seeking brand visibility that reaches influencers and decision-makers, our wide-ranging media network offers effective channels for delivering messages and opportunities to the nation's community of radiology professionals.

PRINT With the benefit of space to have impactful visual branding and messaging, our flagship print publication is a powerful vehicle to reach our loyal audience of 30,000 print subscribers.

DIGITAL Each issue of **Radiology Today** also features a mobile-ready digital edition, which is delivered via e-mail to our digital subscribers and posted on our high-traffic website. Your print ad appears in the digital edition, adding live links that connect readers to the landing pages of your choice.

2020 MEDIA KIT

WEBSITE Our website houses an abundance of relevant and timely content that readers come back to over and over again for research, reference, and expert insights. Banner ads and other online advertising opportunities put your message directly in the sights of imaging professionals.

E-MAIL The most powerful and direct way to connect with our audience electronically, our e-mail subscriber lists are valuable for advertisers looking to have their unique message delivered directly to the inboxes of our readers.

WEBINARS Work with us to produce a webinar that educates professionals on a specific topic area or subject matter that highlights what you want our audience to know. Whether you host the webinar yourself or allow us to do so, we'll promote the event to our audience and get qualified people to attend.

SOCIAL MEDIA We have active Facebook and Twitter accounts that can be used as part of multi-channel campaigns or as targeted advertising campaigns on those individual platforms.

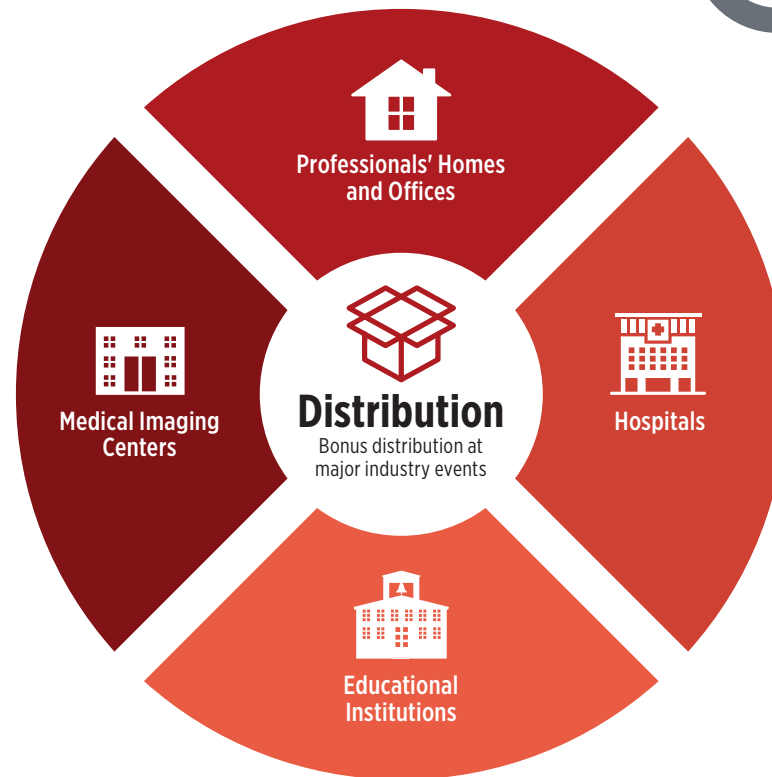

DIRECT MAIL Send your collateral materials directly to our subscribers via mail. Ask your rep about the variety of options we have to get your brochures, spec sheets, or other printed materials into the hands of professionals.

CONTENT DEVELOPMENT Whether it is developing content for a webinar, symposium, or training or educational materials, **Radiology Today** is equipped to assist with all aspects of developing your custom content.
